

Civil Engineering Internship – Summer 2021

Firm Profile:

Barge Cauthen & Associates, Inc. (BC&A) is a Nashville-based civil engineering firm founded in 1994 and specializing in site planning and land development projects for both private- and public-sector clients. BC&A has been named in Nashville Business Journal's Top 25 Engineering Firms for over two decades, completing nearly 7,000 projects in Nashville and surrounding counties. Our designs have been listed in Nashville Urban Land Institute's Excellence in Development Awards program since its inception in 2009, as well as receiving recognition from the national publication Engineering News Record. We are committed to thoughtful, environmentally-smart, cost-effective site solutions for our clients.

Candidate Qualifications:

BC&A is seeking self-motivated and enthusiastic candidates for summer internships to collaborate on projects with our civil engineering/land development design teams. Candidates must be either a Junior or Senior year student pursuing a degree in Civil Engineering from an ABET accredited university. A desire to work in land development post-graduation, knowledge of AutoCAD and/or Civil 3D, strong problem solving and communication skills, and participation in professional societies are advantageous qualities. Candidate must be eligible to work in the United States and present valid documentation. Candidate must possess a valid driver's license and have reliable transportation for potential out of office assignments. Overnight travel is not anticipated.

Candidate Duties:

The selected candidate will be performing basic civil engineering tasks such as zoning research, development of production plans using AutoCAD, development of reports, attending meetings, assisting with field observations, quantity takeoffs/cost estimations, and project administrative duties.

Position Details:

Office Location – 6606 Charlotte Pike, Suite 210 Nashville, Tennessee 37209

Work Season – May 2021 through August 2021

Work Hours – 40 hour a week; Monday through Friday; 8:00 am – 5:00 pm

Wage Range - \$16.00 - \$22.00 per hour
